## NOTICE FOR STUDENTS

### (REGISTRATION OPEN FOR DIGITAL SKILLING COURSES)

The Odisha Skill Development Authority has taken the initiative to launch a program called "DIGITAL-Digital Skilling for All" to provide digital skills training for the students and youth of Odisha. Many partners have signed Memoranda of Understanding (MoU) with OSDA to facilitate free training courses on various technical skills based on industry demand. Therefore, all students are informed to participate or register for the courses available on the Nua Skilled Odisha portal (<http://digitall.skillodisha.gov.in/>) and take advantage of the initiative taken by the Government of Odisha.

The following courses are available on the portal for registration under the institute name:

1. Coursera for Campus User Licenses under NUA Odisha
2. IBM SkillsBuild - AICTE Winter Weekly Workshops for Students
3. Cisco Networking Academy Program for Students
4. Autodesk Skilling for Students 2024 for Students
5. IBM SkillsBuild Project-Based Learning in Artificial Intelligence and Cyber Security
6. IBM SkillsBuild Project-Based Learning Camps for Students

*Among these courses, Coursera for Campus User Licenses under NUA Odisha requires payment of a nominal fee of Rs. 500.00 for accessing a total of 6000 courses available under the license. Students have to pay Rs. 500.00 for one-time registration of Coursera courses, which will be refunded by the institution after submitting the course completion certificate. The rest of the courses are free of cost and do not require any fee payment.*

To register for any course on the Nua Odisha Digital Skilling portal, students can follow the steps below. College Domain mail id is compulsory for the registration.

1. Visit the website <http://digitall.skillodisha.gov.in/> through any web browser.
2. You can see the following section on the homepage. Here students can register themselves to avail courses facilitated by OSDA.
