DO No: INDIAI/100-2025/INDIAI  
Date: 26-Nov-25

Dear Sir / Madam,

IndiaAI Mission under the Ministry of Electronics and Information Technology (MeitY), has launched 'YUVA AI for ALL', a first-of-its-kind free course that introduces the world of Artificial Intelligence (AI) to all Indians, especially the youth.

2. This short, 4.5-hour self-paced course is designed as an AI one-on-one course to make all learners including students and professionals understand the basics of AI and to show how it's transforming the world. It's simple, practical, and filled with real-life Indian examples to make learning relatable and fun.

3. Through six short, engaging modules, the learners will:

- Discover what AI really is and how it works
- Learn how AI is changing education, creativity, and work
- Understand how to use AI tools safely and responsibly
- Explore cool, real-world AI use cases from India
- Get a sneak peek into the future of AI and new opportunities ahead

4. The course is available for free on the iGoT Karmayogi Platform. It is requested that all officials in your Department/State/UT are encouraged to log in to the iGoT Karmayogi platform and complete this course "YUVA- AI for ALL"

5. With this initiative, MeitY aims to empower 1 crore (10 million) citizens with foundational AI skills - helping bridge the digital divide, promote ethical AI adoption, and prepare India's workforce for the future.

The link for YUVA - AI for ALL Course on iGoT Karmayogi is as under:-

6. Government officials can access the iGOT Karmayogi platform either by using their email and password or through the mobile OTP login option. If they are not yet registered, they may self-register on the platform, request assistance from their MDO Leaders, or write to [mission.karmayogi@gov.in](mailto:mission.karmayogi@gov.in) / [gm-futureskills@indiaai.gov.in](mailto:gm-futureskills@indiaai.gov.in) for support.

With regards,

Yours sincerely,
