NOTICE

In order to maintain good academic ambience and to avoid overcrowding, it has been decided to keep only three students in a room as per the norms and construction of the hostels. From the academic session 2026-27 the selection of hostel accommodation will be made based on the merit list which will be evaluated as per below norms.

60% weightage of CGPA (University Exam)

+ 40% weightage of attendance (Both completed semesters in last academic session)

This is applicable to all the existing students staying in the hostel except for the 1st year students to be admitted in 2026-27 where 4 students will be accommodated in one room if required. The students have to make hostel admissions after publication of merit list of selection before allotment of rooms failing which no accommodation will be provided. Also the students who failed to get hostel seats have to make their own arrangements of stay, outside the college campus.
