**Requirements for online test**

To take up assessment remotely, students should have the following -

- **Computer system (Laptop / Desktop)**
- Web Camera facility, Internet connection – 1mbps or more.
- Browser - Chrome or Mozilla Firefox should be used with updated latest version.

OR

- **Android Smartphone (Supports test on Web Browser)**
- Camera facility permission should be enabled at the Google chrome browser.
- We recommend using Wi-Fi if available to take assessments for better experience.
- Notifications should be put on "Off" mode by selecting options under 'Settings'.
- Browser - Chrome or Mozilla Firefox should be used with updated latest version.

**All the students are advised to refer the following documents, which can be found in the google drive link given below.**

1. Form filling instructions and demo video (the information regarding selection of domain modules mentioned in the video is only for 4th year). 2nd and 3rd year students have fixed compulsory modules. All other instructions remain the same for all batch students.
2. Online assessment requirement and Instructions PDF.
3. Android mobile web browser instructions PDF.
4. 4th year students suggested domain modules for respective batch (applicable only for 4th year students).
5. Syllabus and sample question paper.
