Government College of Engineering,

Kalahandi, Bhawanipatna, Odisha PIN : 766002

GCE, Kalahandi at a Glance

Government College of Engineering, Kalahandi was established in the year 2009. The institute is located at the district headquarter of Kalahandi; i.e. Bhawanipatna, beside the NH 26 (Bargarh-Boriguma), about 5km away from Bhawanipatna on the way to Junagarh. The location of the campus is unique in respect of scenic beauty & panoramic view surrounded by mountains. GCEK, Bhawanipatna is committed to the challenging task of advancement of technical education & research by providing high profile technical graduates with innovative thinking & technical skills. So that they can contribute best to their society. The institute has sculptured its own standard amongst the best technical institutions in the state over the year. The CMAI award of the “Best Government Engineering Institute in Rural Area in Odisha” and “Excellent upcoming Govt. Engineering College in Odisha” is the milestone achieved by GCE, Kalahandi.

Department of Civil Engineering

The Department of Civil Engineering was established in 2009. The committed faculties are teaching with dedication for excellence. During last 8 years this branch produced high standard self-motivated professionals to serve humanity both nationally and internationally at par with excellence.

About the Seminar

The presentations will be delivered by the eminent faculty members from IIT Bhubaneswar. The aim of the seminar is to develop the knowledge of the students as well as the faculties. Students and faculties from various institutions may use the platform to share their knowledge.
